Ač se dívám stále více,
vidím samé rukavice.
Kdo poradí holkám, klukům,
kterou rukavici dát na pravou, levou ruku?

... Nasad' rukavici na správnou ruku.

Mám si nechat rukavice,
nebo si nasadit boty?

- Kolik je palčáků?
- Pro kolik dětí máme nakreslené rukavice?
- Dokresli vzor na holé rukavice.
- Najdi rukavice, které patří k sobě a dej je do kroužku. Stejné rukavice budou mít stejnou barvu.
